

Tru-Cut Biopsy Needles

Tru-Cut **Biopsy Needles**

The Tru-Cut biopsy needle is designed for manual capture of high-quality tissue samples with minimal trauma to the patient.

Features include:

20 mm specimen notch

Scalpel-sharp, surgical-steel cutting edge that retrieves cleanly cut, high-quality specimens

Gage Size	Catalog Number	Needle Size							
	2N2711X	3"							
18G	2N2712X	4.5"							
	2N2713X	6"							
	2N2700X	3"							
14G	2N2702X	4.5"							
	2N2704X	6"							

For single use only. Ten devices per case.

Centimeter depth markings to assist in needle placement

Thin-wall needle to yield larger core

Removable stylet for multiple sampling capability
